

Analytics Opportunities!

Are you looking to begin your career in a **mission-driven** company seeking to **build healthy communities** through forward-thinking health solutions? Then join a dynamic Analytics team dedicated to developing **top talent** that is **in high demand** across our enterprise. Our analysts collaborate with others to conduct research, extract data, create models, and **present impactful insights**. Florida Blue employees enjoy **campus perks** like our athletic fields, fitness center, and employee activities, within a **culture** that embraces flexibility, innovation, and diversity. Bring your unique talents and help us **make a difference**!

Information Session Agenda

UF Math & Stats Club - September 24, 2020

Because of the virtual environment, we've created the below agenda to help navigate our information session. Feel free to self-guide and join any Zoom Room that interests **you**.

6:00 – 6:15 pm

Introductions & why you should consider joining Florida Blue and our Analytics team

[Zoom Link](#)

6:15 – 6:30 pm
